

COLLEGE OF ENGINEERING

ELECTRICAL & COMPUTER ENGINEERING

UNIVERSITY OF MICHIGAN

The Electrical and Computer Engineering (ECE) Division of the Electrical Engineering and Computer Science Department at the University of Michigan, Ann Arbor invites applications for junior or senior faculty positions, especially from women and under-represented minorities. Successful candidates will have a relevant doctorate or equivalent experience, and an outstanding record of achievement and impactful research in academics, industry and/ or at national laboratories. They will have a strong record or commitment to teaching at undergraduate and graduate levels, to providing service to the university and profession, and to broadening the intellectual diversity of the ECE Division. Research in the Division spans from fundamentals to applications. We invite candidates across all research areas to apply, with particular interest in computer vision, embedded systems, machine learning, materials and health-medical technologies.

The highly ranked ECE Division (www.ece.umich.edu) prides itself on the mentoring of junior faculty toward successful careers. Ann Arbor is highly rated as a family friendly best-place-to-live.

Please see application instructions at

<http://www.eecs.umich.edu/eecs/jobs/>

The review of applications will begin **November 3, 2018** with full consideration given to candidates submitting by then

The University of Michigan is an Affirmative Action, Equal Opportunity Employer with an Active Dual-Career Assistance Program. The College of Engineering is especially interested in candidates who contribute, through their research, teaching, and/or service, to the diversity and excellence of the academic community.
